

VISTA MEDICAL PLAZA SUMMER MIXER

Thursday, August 23

On behalf of AmeriCare Health & Retirement, the new owners of Vista Medical Plaza, you're invited to join us for our first Physician Happy Hour. These events are designed to help foster community and relationship development within the building. Join us for an evening of wine and cheese while getting to know your neighbors.

We will also be providing an initial look at upcoming capital improvement ideas.

Hope to see you
